CAPE FEAR COMMUNITY COLLEGE UNION STATION

WINDELL DANIELS HALL, 502 N. FRONT ST., WILMINGTON

The New Hanover County Department of Social Services' Family Support Program and its partners have come together to develop the Bridging Change initiative, with a vision of shared parental responsibility and family engagement.

The mission of Bridging Change is to create new avenues of positive family engagement by removing barriers to parental employment, education and communication.

- Learn about resources available to single parent households, and parents of children who benefit from Child Support.
 - Education, training and job readiness programs
 - Mediation
 - Classes in economic empowerment, constructive communication and effective parenting
- Services offered through the Bridging Change initiative are FREE to families who qualify
- Breakfast and refreshments included – Register by January 15.
